Date: 28th February, 2018

To,
Respected Principal
& Students of the Collage:
Institute of Management and Computer Studies
Waghle Estate, Thane

Subject: Thanking you and the students of institution for the kind donation of 84Kgs of Rice & 38Kgs of News paper.

Respected Sir,

We, **Utkarsh Star Mitra Mandal (N.G.O.)**- is a non-profit, non-governmental organisation committed to the welfare of society in various ways. As an extended endeavour of our organisation, **Animal Welfare** has also been included in our service purview. We believe that care for animals is more like caring our Mother Earth, our surroundings, our families and life on the whole! Therefore, any type of cruelty against animals eventually leads to destruction and adversely affects our health, environment and economy. Our Animal Welfare Division is responsible for the wholesome care of animals and society in various ways. Utkarsh's animal-friendly role includes:

• Healthy initiatives for sick and diseased animals.
• Rehabilitation of needy animals.
• Organising camps for the treatment and rescue of animals.
• Raising voice against any sort of animal outrage or ill-treatment.
• Feeding over 1000 stray animals everyday

We feed over 1,000 stray dogs each day with cooked rice, chicken & pedigree. We are greatly thankful to your students for donating **84Kgs of Rice & 38Kgs of News paper to us** on 27th February, 2018. It will be used for our meal for mutes project where we feed over 1000 dogs and will help them not sleep with an empty stomach.

We are looking forward towards working with you in future for the benefit of animals.

Regards,

Shri. Pravin Jadhav
C.E.O. & trustee
Utkarsh star Mitra Mandal (N.G.O.)
