On 29th December 2018, there was an Institutional Social Responsibility Event organized and conducted by BMS Students of ASM's IMCOST. As per our every year tradition the year ending was marked with a social dimension to life displayed by IMCOSTIANS. Systematic survey of needs of a NGO Jagruti Palak Sanstha, JPS (Thane West) which runs a small Daycare Center and School for Specially Abled Students from Physical Age group 18 years to 45 years was carried out by students. Further through the donations from Students and Faculty members of IMCOST, BMS Students purchased Two Plastic Tables, Games and Refreshments for the students of JPS. The ISR went successful as BMS students visited the JPS center and celebrated a Christmas and New Year party along with the Students of JPS. The highlights were the Santa Clause, the games and the gifts. After the 2 hours activity, JPS authorities (Ms.Bhosale and Mr.Deshpande) and students appreciated the work from IMCOST Students and the team returned with a great sense of satisfaction.
